MYSTERIOUS SHADOW

Create a whimsical backs-plash, accent wall or shower surround with the Moonfall mosaic series. The hexagon elements are more vivid and flexible visual effects and more color impact.

MOSAIC | Moonfall

Golie

With the maze-like intrigue it delivers to walls. This textured, 6 x 2 glass mosaic is both simple and bold at the same time due to its neutral, clean white color combined with a texture and size that keep people guessing. Geometric design has never been so easy to incorporate into a contemporary space.

CALACATTA LOOK

TRANQUIL

The Tranquil mosaic tile series shakes up typical tile conventions by showcasing a clean trellis design with your choice of clean white accents. Tasteful enough for entryway flooring, bathrooms or kitchens, this wavy arabesque stone tile features a sleek border around each shape. Your guests will surely compliment the sophisticated and textured touch this subtly contrasting tile offers.
